

## Step 1 : Create a Watsonx Orchestrate Trial instance

1) Navigate to Product page:

<https://www.ibm.com/products/watsonx-orchestrate> and click on the link “Try it Free”

2) It opens a URX form : <https://www.ibm.com/account/reg/us-en/signup?formid=urx-52753>

Enter the details in the page: **Business email, Password, First Name, Last Name, Country** and **Company** and click the button Next

→ [ibm.com/account/reg/us-en/signup?formid=urx-52753](#)

**IBM**

## IBM watsonx Orchestrate

[Put AI to work for your business](#)

Get started with your 30-day free trial today and take the first step towards transforming your workflows. Plus, you'll get exclusive early access to explore the latest features coming soon to watsonx Orchestrate!

 **Build AI agents in minutes**  
Effortlessly create, deploy, and manage sophisticated AI agents with our no-code Agent Builder, leveraging hundreds of pre-built tools.

 **Leverage your existing investments**  
Infuse agents across your full enterprise stack – accessing all available resources, grounding them in your business knowledge, and connecting them to the systems you already use and love.

 **Deliver a next-gen user experience**  
Harness orchestration capabilities to elevate AI agents, enabling them to tackle complex, multi-step enterprise processes and deliver self-service that wows and drives your team to new heights of productivity.

## Register for your trial

Already have an IBM account? [Log in](#)

**Account information**

Business email 

Password

Your email address will become your IBMid, which you'll use to log into IBM.com.

First name

Last name

Country or region of residence

Company

During the trial, we may share guidance on which features to explore. We may also reach out to you to check in on your progress and follow up after the trial is over. By participating in the trial, you agree to the [IBM Privacy Statement](#).

☐ Verify email

3) Fill the verification code received in the email and click Submit button.

**Verify email**

We emailed a 7 digit code to **agentdemo123@yopmail.com**  
This code will expire in 30 minutes.

Verification token

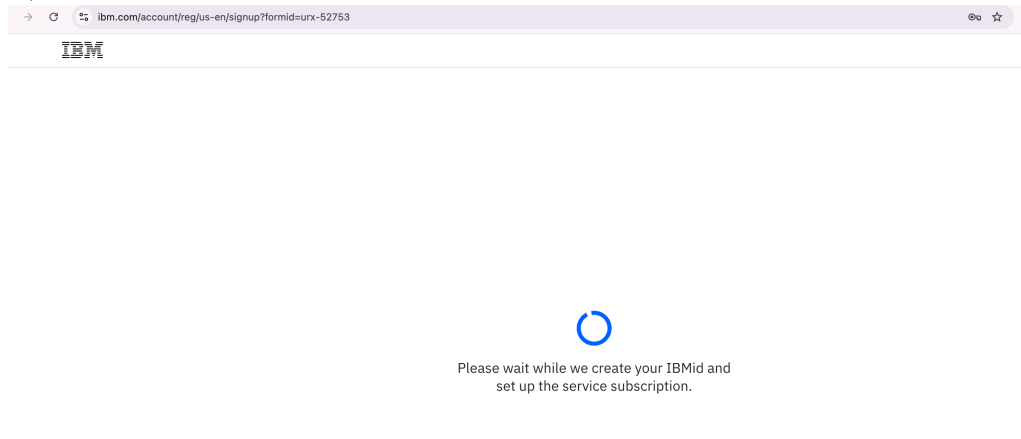

Didn't receive the email? Check your spam filter for an email from **ibmacct@iam.ibm.com**.

You can resend the verification token in **21** seconds

I accept the product [Terms and Conditions](#).

#### 4)Wait until an IBM-id is created

#### 5)Select the region and Region as - **N. Virginia (us-east-1)** , any **instance name** (say -demowxo) and click create button.

##### Create instance

Create an instance in the current subscription.

A screenshot of the 'Create instance' form for Watsonx Orchestrate. The form is titled 'watsonx Orchestrate' and includes a description: 'IBM watsonx Orchestrate is a cloud-based platform, running on AWS, that helps companies empower their employees to change the nature of day-to-day work.' Below this, the 'Instance information' section shows the 'Cloud Provider' as 'AWS'. The 'Region' is set to 'N. Virginia (us-east-1)' with a dropdown arrow. The 'Instance name' is 'demo-wxo' with a character count of '8/25'.

 **watsonx Orchestrate**

IBM watsonx Orchestrate is a cloud-based platform, running on AWS, that helps companies empower their employees to change the nature of day-to-day work.

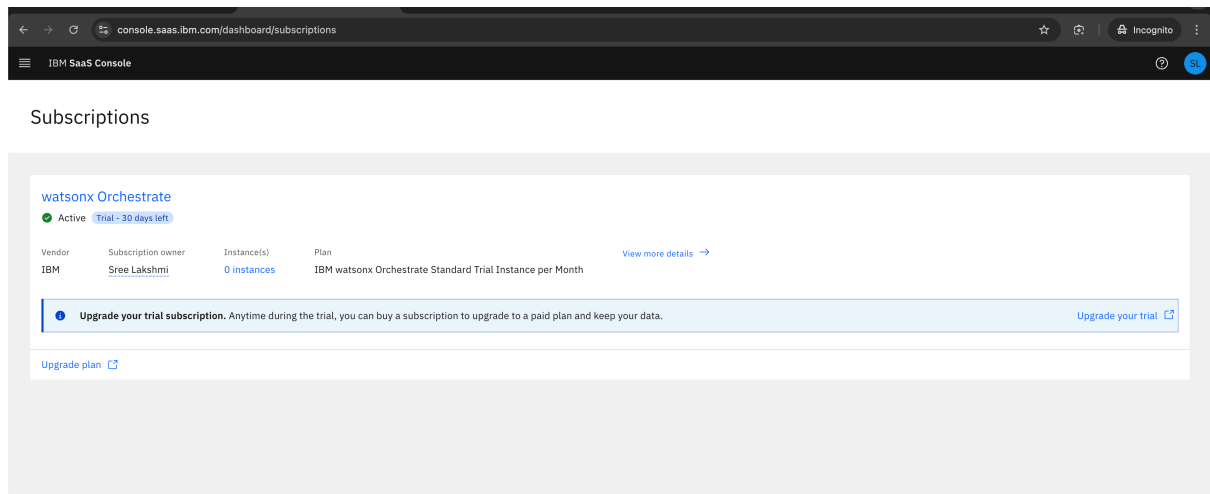

**Instance information**
